Just as we were about to enter the harbor near the mouth of the Tachakobee and allahusha Rivers, we saw a person's journey, a campfire, with the men and women in the company. When we were on board, we were about for nearly three miles. The company took part in every reconnaissance, in which the officers were expected to lead, and participate in performing their share.

RECORD OF RESULTS

The first thing I noticed when I stepped
 out of the plane was the cold. It was a
 sharp contrast to the heat of the desert.
 The air was crisp and clear, and the
 mountains were visible in the distance.
 I had heard that the weather was good,
 but I didn't realize how good it would be.
 The view from the plane was amazing.
 The mountains were so close, and the
 valleys were so green. It was like a
 different world. I had never seen anything
 like this before. The mountains were so
 tall, and the valleys were so deep. It was
 like a giant's hand reaching down to
 touch the earth. The mountains were so
 close, and the valleys were so deep. It was

St. Louis, Missouri
November 3rd 1863

Capt. S. H. Lane
Asst. Adj. Gen.
16th Army Corps

I would most respectfully
ask for a furlough for my wife for the following reasons
27

My family are in distressed circumstances and steadily
require my presence for a short time & under these circumstances
for the coming winter.

Before I indicated I had been engaged in business
and had to leave the accounts in such a condition that
no person can settle them but myself and my presence
is necessarily needed to collect my debts so that my
family need not suffer for want of them.

I have been in the army over fourteen months and
have never been absent from my company during that time
I live at Oregon Hill Army Station.

Very Respectfully
Yours Obedt. Servant
George A. Scholp
Lieut. Col. 16th Army Corps

Dear Sir,

Presuming upon the
uniform kindness you always
showed my son Lucius while in
your old Regiment (the 33rd Mo), I am
induced to ask your influence
with the Gov of Mo to get him a
Commission. I should like very
much to have him appointed an
Aid on your Staff if it were poss-
ible where he would have the ben-
efit of your Christian example.
From childhood he has been one
of the most conscientious Boys
I have ever known. Since he has
been in the Army his Bible has been
his constant Companion, and his
letters seldom close without the
expressed hope that God would make
him a good man.

Very Respectfully

My dear Robert

I have just received your letter of the 12th inst. and am glad to hear that you are well. I am also well and hope these few lines will find you the same. I have not much news to write at present. I am still in Cambridge and am busy with my work. I have not yet decided whether to go to the States or not. I am inclined to stay here for the present, but I may change my mind. I am sure you will understand. I am, my dear Robert, very truly yours,

Sir

I would respectfully
ask for twenty days leave of absence to visit my home
in Oregon (Walla Walla) for the following reasons.

At the time I entered the service I was obliged
to leave my business in an unsettled condition and
my family have suffered many inconveniences arising
therefrom. I have expenses here have greatly
increased by sickness, death, and they have
no one at home to provide for their comfort during
the coming winter.

My presence at home is absolutely necessary
to collect my debts and also to join my right to
certain property according to me by the death of a
parent.

I have been in the service ever since 1861
and have never been absent from my command
with or without leave.

my very respectful & sincere remembrance to the United States.

I was last found by Representative Nelson to the 31st day of October 1854.

Notwithstanding the very great importance of the Commissioning General.

I have been unable to do so.

Sir

It seems probable
that my Regiment - the 3rd Mo. Inf. Regt. - which is now
absent in Missouri - will not return to this place before
the 1st of next month, and as all Regimental Records have
left here. I would respectfully request that you
either Armstrong, R. J. etc. be immediately ordered
to proceed to the Regiment, and to take with him
all Company Records that will be needed in making
correct "Registers of Pay Rolls" for the coming
month on the 3rd inst.

I would state that the services of Daniel Armstrong
are not at all needed with this Detachment; but
that his presence with the Regiment as shown by
a letter from Genl. Cat. Health Chief, is immediately
required. I am Sir

Very Respectfully

Your Obedient Servant
